PROUDLY PRESENTS

## BREWED in the U.S.A.

SUNDAY, JULY 10, 2011 1-5P

Dank Haus - Lincoln Square  
4740 N Western Av (dankhaus.com)

Let's be Frank(lin) - Ben probably never said "Beer is Proof that God Loves us and Wants Us to be Happy," and Patrick Henry definitely didn't say "Give me Liberty, or a Beer would be nice..." And while we're still waiting for someone to brew a palatable version of George Washington's small beer (hint: the recipe says hops to taste), thankfully a homebrewer revived Sam Adams' recipe and one could argue, started a craft beer revolution. So here we are 236 years later, with the craft beer revolution in full swing, enjoying the fruits of our brewers' independence and imagination. Join us for **Brewed in the U.S.A.**, featuring a wide selection of American-made craft brews that exemplify the independent spirit that makes our country, and our beer, the greatest!
